Registering for CALI

To register for CALI access, first navigate to CALI’s webpage at http://www.cali.org.

From CALI’s home page, select Create new account located under the log in area on the right hand side of the screen.
Registering for CALI

You need to fill in all of the data fields with a red star next to them. Make sure you write down your username and password!
Registering for CALI

Where it asks for an Authorization Code, you will need to enter the code given to you with the CALI disk in your Law Library Orientation Information Packet. If you have lost that card, please see a Reference Librarian to get the code.
