Adding a Course in Web Courses

To access Web Courses, you first need to navigate to LexisNexis’ website: lexisnexis.com/lawschool
Adding a Course in Web Courses

Enter your LexisNexis Custom ID and password into the box on the left hand side of the page and click Sign On.
Once logged into LexisNexis, select the button for Web Courses located on the right hand side of the screen.
Adding a Course in Web Courses

From the Web Courses homepage, select the link for Courses.
Adding a Course in Web Courses

In the Course Catalog box on the right hand side of the page, select North Carolina Central University.
Adding a Course in Web Courses

Locate the name of the course you’d like to enroll in and click on the Enroll link on the right hand side of the screen.
Adding a Course in Web Courses

The name of the course you are enrolling in will appear on the screen. Click on Submit to complete the enrollment process.
Adding a Course in Web Courses

If enrollment in the course was successful, you will see a page like this. Click OK to visit the course’s Web Courses page.
